17) Further it is clear from para 3 of the A's report of 3/7/36 that the present Swamis of the mutt has told the Amildar That under the authority of the Diwan issued in Magha of Vikrama Samvat 2011 the Pahadari of 12-3-vee (found in the Honors manual) was issued. Re: this also the Swamis of the mutt has on 28/10/36 said that the original is a torn one & incomplete — As submitted supra, the Diwan can not be accepted as a Genuine one. as Shakunal Registers presented here contain the entry of this Diwan (Vide page 1 of mutt 15-3-35 — 4 pubs for refee). x N.

18) Re: the SB called Diwan of 14.11.1818 x L

The points raised are as in para 2 of the note supra. The mte in para 2 of the P.W says that in the opinion of the Amildar the Diwan is a genuine one. it is respectfully submitted that this statement is not tenable as the Diwan bears a Sealing wax seal & that too totally removed & it bears the words = ಅಂಚೆ ಶ್ರೀ ಸೀತಾರಾಮ ಜಯ". The word "ಅಂಚೆ" is not found in Genuine Sanads. Such entries like ಅಂಚೆ ಶ್ರೀ ಸೀತಾರಾಮ ಜಯ

Serial No.

& Q" are not commonly seen at the end of the original Sanads — At the outset it is stated as :- ೧೫೮೯ ನೇ ಸಾಲಿನ ಮೇ and at the end it is noted as :- ೧೮೮೯ ನೇ ಸಾಲಿನ ಮೇ ; this Variation of date ~~as per Hindu Calendar~~ in this case is very conspicuous ; the Firman is also not found entered in the Shahmal Register & in these circumstances the Statement of the Amildar re: its genuineness is not acceptable

(4) ordinarily the Firmans in original will be in the possession of the grantees & while this is so, it is not known why the Swami should have applied for & obtained a Certified Copy of the Same from the Manager of the Palace Office ~~& explained his reasons~~ in his letter dated 18th Inst. If it is to be conceded that no further investigation about the authenticity of the reasons which have led to the inclusion of certain honors in the Inam Firman need be pursued, it is most respectfully Submitted that the request of the Swami for additional honors is inadmissible basing, as it does, the claim for the same on the Firmans of 1799.

4) Re: additional Birudus to Sri Kodanda Swami at ... Seringapatam

Mis. File No. of 1936. | General and Secretariat

Serial No.

26) Taken for orders ——

(S 9/3 50 3-37. 21) The letter of D.C. Mysore District, in the M.C. dated 3.7.1936 is for perusal. It is seen from the said letter that the Birudus granted to the Swami of Sri Ramadiraru Mullivirinjapatam (vide extract para 50 of the Manual of Birudus and other Honours) were granted on the authority of the Firuz issued on Asvija Masha, and that the earlier Firuz dated 6 have been issued in the name of Narthilla (dated 18th November 1818) was not then available, and which the Swami has now produced. The point for consideration is whether the Firuz issued in the name of Narthilla is a genuine one, as the copy of the same is not available in the Sharanal Registers available in the Secretariat records, and which is discussed in para 10.17 of the letter. The Minister is of opinion that it is a genuine one, and the D.C. Mysore recommends the grants of Birudus mentioned in the Firuz of 1818. The M.C. recommends that the Birudus mentioned in (S) 3 of the Statement may be granted. If the Firuz of 1818 is considered to be a genuine one, it is submitted that the extra Birudus recommended by the M.C. may be sanctioned.

Letter No.H.1175/35 dated 3-7-36 from the Deputy Commissioner, Mysore to the Muzrai Commissioner in Mysore.

Grant of revised Rahadari to Swami of Sri Ramadevaru Mutt Seringapatam.

With reference to your letter No.1040 of 35-36 dated 26th April 36 calling for a report with my opinion on the petition of the Swami of the above Mutt praying for the grant of a revised rahadari including certain royal and special hirudus on the authority of Nirup dated 14th November 1818, I have the honor to submit herewith the detailed report of enquiry made by the Amildar of Seringapatam Taluk, and to state as follows:-

2 The existing rahadari of the Mutt was issued on 12th March 1924 (vide page 50 of the Manual of Hirudus and Rahadaris to Mathadhipathis) A comparative statement showing the hirudus covered under the above Rahadari those enumerated in the Nirup of 14th November 1818, and the extra honours now asked for as per the said Nirup is in the records.

3 The Amildar reports that there seems to have been two Nirups in one and the same matter, one issued in Karthika, and the other in Magha of the same year Bahudanya, that this was not however explicable but that the present Swamy gave him (Amildar) to understand that perhaps the earlier Nirup issued in Karthika was not available when the then Swami began actual tour and that, therefore, another Nirup was sought for and granted. The Amildar further reports that he was given to understand by the present Swami that the earlier Nirup issued in Karthika was not available even when the Rahadari was sought for during 1924, that it was only the later Nirup issued in Magha that was available and produced, under the authority of which, the rahadari dated 12th March 1924 was issued, that he has compared the two Nirups, and that the extra mariyades mentioned in the earlier Nirup seem to be harmless and may be allowed. The Sub Division Officer, French Rocks, recommends sanction to the proposal of the Amildar.

In the circumstances reported by the local officers, there appears to be no objection to the grant of extra honors to the Mutt as recommended by the Amildar of Seringapatam Taluk.

The original Nirup dated 14th November 1818 and the records of enquiry made by the Amildar, are submitted herewith.
